FOR IMMEDIATE RELEASE

Spay-Neuter Program is a Success

HC-2017-25

Hendersonville, NC – August 18, 2017

Henderson County, the City of Hendersonville and Blue Ridge Humane Society have partnered to provide low cost spay-neuter services for dogs and cats in our area since early July 2017. To date, the program is showing signs of being highly successful.

“I’m impressed by how well this program started. I didn’t anticipate any major problems, but did expect some bumps. So far, the program has gone smoothly, the staff at Blue Ridge Humane Society and Henderson County have done an excellent job of getting this program underway. In July a total of 77 animals were spayed or neutered through the Spay Neuter Incentive Program,” says Brad Rayfield, Animal Services Director for Henderson County.

Karla Pan, Shelter Director for Blue Ridge Humane Society, “The Spay Neuter Incentive Program has turned out to be a growing collaboration between Blue Ridge Humane Society and Henderson County Animal Services. Since the program started in early July, over 200 animals have been signed up to be spayed or neutered. Henderson County Animal Services staffs’ expertise and their well-organized facility really makes this a seamless partnership.”

In the month of July, 36 cats and 38 dogs were spayed or neutered through SNIP.

If you would like more information about SNIP or to find out how to receive services for your four-legged friends, please visit Henderson County Animal Services at 828 Stoney Mountain Road, call Blue Ridge Human Society at 828-698-4481 or email snip@blueridgehumane.org. You can also find more information about the program by visiting www.blueridgehumane.org/community-services/snip/.
