FOR IMMEDIATE RELEASE

Henderson County Household Hazardous Waste Collection & Paint Recycling Events Rescheduled to September 26, 2017

HC-2017-38

Hendersonville, NC – September 8, 2017

Due to potential adverse impacts associated with Hurricane Irma, Henderson County Solid Waste will postpone the household hazardous waste (HHW) collection and paint recycling events scheduled for September 12, 2017. The new September date is set for Tuesday, September 26, 2017 from 8:30am until noon.

Other fall event dates are Tuesday, October 10 and Tuesday, November 14, 2017. More information on the chemical collection and paint recycling programs can be found online at www.hcrecycles.org.

Items brought to the Convenience Center during HHW events should be kept in original packaging and should be handled with utmost care. Unlabeled items must be accompanied by a material ID form, either at the event or prior to the event through www.hcrecycles.org. Business and commercial wastes will not be accepted. Please contact Environmental Programs for proper disposal options by calling (828) 694-6524.

To provide quality service and safety during these events, residents are asked to please unload their own HHW materials at the Convenience Center and leave pets at home. Additional questions can be directed to (828) 697-4505 or (828) 694-6524.
